PROFESSIONAL SUMMARY

Frontend Developer / React.js Developer / Full Stack Developer with expertise in modern web technologies. Proficient in React.js, Next.js, Node.js, Express.js, MongoDB, MySQL, and Tailwind CSS. Experienced in building scalable, responsive applications and integrating APIs. Passionate about creating efficient and user-friendly web experiences.

SKILLS

Frontend: React.js, Next.js, JavaScript, Tailwind CSS, Bootstrap, Material UI, HTML5, CSS3, Sass

Backend: Node.js, Express.js, RESTful APIs

Databases: MongoDB, MySQL, Firebase Firestore & Realtime Database

Tools: Git, GitHub, Vercel, Docker, Jira, Slack

Authentication: Firebase Auth, JWT, OAuth

EXPERIENCE

React.js Developer

Jan 2024 – Sep 2024

Webapp Discovery Private Limited, Panchkula India

- Developed and optimized React.js applications with a focus on responsive and dynamic UIs.
- Implemented Redux for state management and React Router for seamless navigation.
- Designed and integrated RESTful APIs with Node.js and Express.js for efficient data handling.
- Enhanced web performance, reducing load time by 40% through strategic optimizations.

MERN Stack Developer Intern

Jan 2023 – Jun 2023

Netmax Technologies PVT LTD

- Built high-performance web applications using MongoDB, Express.js, React.js, and Node.js.
- Optimized UI responsiveness using Tailwind CSS and Bootstrap, cutting load time by 30%.
- Upgraded the tech stack and improved the performance of the Strafetch website, boosting speed by 40%.
- Collaborated with teams to deliver high-quality web solutions.

EDUCATION

MSc, Artificial Intelligence

Jan 2025-2026

Sheffield Hallam University

- Focus on machine learning, deep learning, and data science.
- Hands-on projects involving AI model development and deployment.

BTech, Electronics & Communication Engineering

Aug 2019 – May 2023

DAV Institute Engineering and Technology

- Specialized in embedded systems, signal processing, and IoT.
- Developed projects integrating AI with communication technologies.

PROJECTS

Website Development || 24xdev.uk Oct 2024 - Ongoing

Technologies Used: Next.js, Firebase, Tailwind CSS, Vercel, Serverless Architecture

- Integrated client-side and server-side functionalities, ensuring seamless user interactions and optimized backend data handling.
- Implemented serverless architecture for smooth deployment and management on Vercel, achieving 99.9% uptime.

MASV File Upload Application Sept 2024

Technologies Used: React.js, MASV API, Tailwind CSS, JavaScript

- Engineered a React-based file uploader integrating MASV API, improving file transfer speed by 30%, allowing seamless uploads with progress tracking and custom metadata.
- Implemented serverless architecture for smooth deployment and management on Vercel, achieving 99.9% uptime.

Strafretch Site - Tech Stack Upgrade & Frontend Redesign Aug 2024 – Sept 2024

Technologies Used: React.js, MASV API, Tailwind CSS, JavaScript

- Engineered a React-based file uploader integrating MASV API, improving file transfer speed by 30%, allowing seamless uploads with progress tracking and custom metadata.
- Implemented serverless architecture for smooth deployment and management on Vercel, achieving 99.9% uptime.

Secure Venture - Frontend Enhancements & Responsive Design Sept 2024

Technologies Used: React.js, Tailwind CSS, API Integrations, JavaScript

- Optimized API integrations and enhanced UI elements for improved user experience and accessibility
- Implemented Tailwind CSS for a fully responsive design.

SOFT SKILLS

Problem-Solving, Leadership, Teamwork, Communication, Adaptability, Critical Thinking.

REFERENCES

Dr. Navleen Singh Rekhi [LinkedIn Profile](#)

Professor (Assistant) at DAVIET Jalandhar and NIT Jalandhar

- Mentored me during my B. Tech in Electronics & Communication Engineering, where I learned Artificial Intelligence.
- Guided me in creating the Automated Waste Segregation System as my final project.

Parveen Kumar [LinkedIn Profile](#)

Co-Founder & Business Head at Weboapp Discovery Private Limited

- Worked under Parveen Kumar at Weboapp Discovery Private Limited, where I contributed to numerous projects, including the Strafretch website and TMS Dashboard.

PASSIONS

- Technology and Innovation
- Community Involvement
- Continuous Learning
